Chiropractic Adjustments (manipulations) of the spine are internationally recognised as being far safer in dealing with neck and low back pain than medical and many other alternatives. (A Risk Assessment of Cervical Manipulation, JMPT, 1995. Manga Report, Ontario Ministry of Health, 1993.)

Changes to the law now require all practitioners who manipulate the spine to warn patients of material risks. In extremely rare circumstances, some treatments of the neck may damage a blood vessel and give rise to stroke or stroke-like symptoms (approx. 1 in 2.15 million). Other very slight risks include (but are not limited to) strain/injury to a ligament or disc in the neck (less than 1 in 139,000) or the low back (1 in 62,000) [Dvorak study in Principles Practice of Chiropractic, Haldeman. 2nd Ed.]

If you have any questions related to the treatment that you are about to receive, please speak to your Chiropractor.

Please do not sign until you have spoken to your Chiropractor.

I acknowledge that I am aware of and understand the potential risks. I have discussed the above information with the Chiropractor and give my consent to treatment.

I understand that results are not guaranteed and that the Chiropractor is not able to anticipate all potential risks and complications associated with the proposed care.

I have had the opportunity to ask questions about the nature, extent and purpose of the proposed Chiropractic care and I have been given sufficient time to make a decision giving consent for the care to proceed.

I intend this consent form to cover the entire course of treatment for my present condition and for any other future condition(s) for which I seek treatment by Dr Aidan McGuigan B.App.Sc (Clinical Science) B.Chiro.Sc. I understand that I can withdraw my consent at any time.

Please note we have a missed appointment / late cancellation fee of \$25. Out of consideration to the practice and to our other patients wanting appointments, please contact us at your earliest convenience should you need to cancel or reschedule your appointment.
